About Mrida:

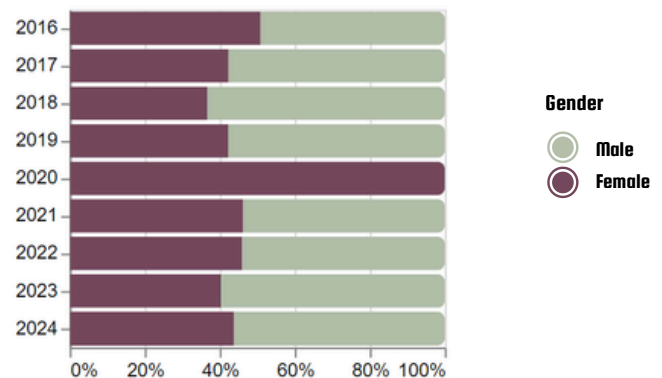

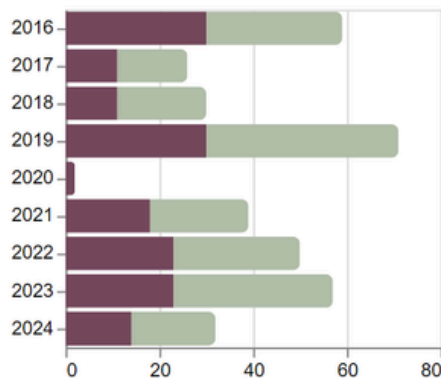

Started in 2016, Mrida works in Mohgaon, Madhya Pradesh, focusing on developing career, vocational, and skills training to empower tribal children and middle-grade and high-school students to build a better future for themselves, their families, and their communities through academics and sports, especially football.

VISION: Our vision is to end poverty in tribal belts of rural India.

MISSION: Fostering early earning through skill development, inspiring role models, and creating an inclusive platform for local employment and excellence.
